PROFESSIONAL SUMMARY

Customer Success and Customer Operations professional with 15+ years of experience in B2B account management, customer onboarding, retention, support, and process improvement. Managed 200+ customer accounts, helped drive approximately 40% revenue growth, supported near-100% adoption during a paper-to-digital migration, and achieved 90%+ first-contact issue resolution. Combines relationship management with practical troubleshooting, customer education, workflow design, and cross-functional coordination. Currently provides business operations and customer/process support consulting to Vicars Nigeria Enterprises. Bringing this experience to customer success, customer experience, account management, onboarding, and support roles, including remote environments.

CORE SKILLS

PROFESSIONAL EXPERIENCE

Consultant, Business Operations / Customer & Process Support | Vicars Nigeria Enterprises Limited | *Feb 2026–Present* | Nigeria

- Advise on customer relationship management, operational coordination, process improvement, documentation, staff workflows, and business systems, drawing on long-term knowledge of the company and its customers.
- Help identify recurring operational and customer-facing problems and translate business needs into practical workflows, SOPs, and follow-through actions.

Operations & Customer Success Manager | Vicars Nigeria Enterprises Limited | *Oct 2015–Jan 2026* | B2B Distribution | Nigeria

- Managed 200+ active B2B accounts across onboarding, ongoing support, retention, sales, vendor relationships, logistics, and service delivery.
- Contributed to approximately 40% revenue growth through relationship development, negotiation, and securing additional business from brewery and FMCG partners.
- Supported an estimated 80% improvement in customer retention and approximately 90% reduction in churn through proactive communication, personalized support, consistent follow-up, and early issue resolution.
- Led migration from paper-based records to QuickBooks and BUSY POS, configuring workflows and training customers; achieved near-100% adoption of digital invoices and statements across 200+ accounts, including users with limited digital experience.
- Resolved 90%+ of customer issues at first contact and independently handled approximately 80% of POS and accounting-system issues without external support.
- Reduced delivery delays by approximately 30% through better logistics planning and supplier coordination; reduced procurement costs by 20% through negotiation and purchasing improvements.
- Built Monday.com and Zapier workflows for order tracking, prioritization, notifications, and follow-up; developed SOPs and trained staff to improve consistency and execution.
- Led warehouse and office relocation and workflow redesign, and supported management with meeting coordination, communications, documentation, and operational follow-through.

Business Operations Intern | Excelerate | *Apr 2026–May 2026* | Remote Virtual Internship

- Led a remote, multi-time-zone team redesigning a customer onboarding journey; mapped the journey, identified friction, benchmarked competitors, and proposed improvements to activation and drop-off.
- Coordinated research, documentation, presentation materials, and final client delivery; earned a 95% overall score and Excellent ratings across all six assessed competencies.

Project Management Associate Intern | Excelerate | *Jun 2026–Jul 2026* | Remote Virtual Internship

- Supported delivery of a Digital Employability Training Programme through planning, milestone tracking, stakeholder communication, documentation, and team coordination across time zones.
- Served as team lead for consolidating contributions and coordinating project materials and delivery.

Sales & Marketing Manager | Tauruscorp Limited | *Sep 2012–Jan 2014* | Champagne & Beverages

- Managed customer relationships, sales and marketing activity, and operational records; contributed to 20% revenue growth through product promotion and customer-focused marketing.
- Reduced procurement costs by 15% through vendor negotiation and process streamlining.

Assistant Secretary / Customer Service Representative | A.C. Harmony Enterprises Nigeria Ltd. | *2010–2012*

- Supported customer communication, scheduling, document management, office coordination, inquiry handling, and issue routing to appropriate teams.

Head of Administrative Operations / Branch Operations | All-Way Global Digital Security Limited | *2007–2010* | Car Tracking & Security Technology

- Managed branch administration, customer service, sales, marketing, staff coordination, installation coordination, onboarding, and technical support.
- Onboarded every new customer onto GPS tracking software and served as the primary support contact for non-technical users, achieving zero adoption failures; introduced workflow improvements that reduced customer wait times.

SELECTED CUSTOMER SUCCESS & OPERATIONS PROJECTS

- GoHighLevel: Built a 90-day customer onboarding framework covering sub-account setup, contacts and tags, pipelines, calendars, workflows, automation testing, milestones, customer-health checkpoints, and adoption planning.
- Pepagora: Redesigned the onboarding journey to identify friction and recommend a graduated flow to improve activation and reduce drop-off.
- ContinuityOS / Raenest, MedCore360, and Wema Bank: Developed portfolio case studies covering customer health and escalation, recovery and retention, and enterprise account growth. These are project work, not SaaS employment.
